

IAF SCHOLARSHIP GUIDE

For Counselors

IMAGINE AMERICA FOUNDATION

Established in 1982, the Imagine America Foundation (IAF) is a not-for profit organization dedicated to serving the career college community by providing research, career and college information, as well as an award winning national scholarship program for graduating high school seniors.

Criteria

Recent high school graduates who meet the following recommended guidelines:

- Likelihood of successful completion of postsecondary education
- High school grade point average of 2.5 or greater
- Financial need
- Demonstrated voluntary community service during senior year

Are eligible to apply for the Imagine America High School Scholarship! This annual scholarship program helps thousands of high school seniors afford an education at hundreds of career schools nationwide.

Each year, every high school in the United States and Puerto Rico may nominate graduating seniors to be eligible to receive a \$1,000 Imagine America High School Scholarship.

But first you need to enroll your high school! There is no cost to you, by enrolling you are simply allowing students to apply for the scholarship. Once the student has applied we ask you to verify the student will be graduating and attending a career school.

How To Register Your School

Counselors may enroll their high school in our program for FREE so that their students can apply.

- To register, go to:
